

GROOMING MEN FOR GREATNESS FOR OVER 45 YEARS

GROOMING LOUNGE EST 1978

The Face of Man Experience

Face of Man is a 5 star men's grooming lounge located in the heart of Sydney CBD and has been the premier destination for grooming since 1978.

Leading the way by being Australia's first-ever male grooming lounge, over four decades, we've remained at the forefront, consistently innovating and refining the art of self-care for men.

Step into a world of unparalleled service and luxurious comfort.

Our expert therapists utilise the latest advancements in technology, paired with leading treatments and specialised techniques, to deliver exceptional results in a safe, warm and welcoming space.

Our extensive menu caters to the modern man's every need.

Experience advanced skin treatments, targeted towards men's specific concerns. Maintain a sharp appearance with our barber services, or explore transformative options like laser hair removal and tattoo removal.

We even offer revitalising IV drips for that extra edge.

Face of Man is your safe haven.

From the moment you arrive, unwind in our plush Chesterfield lounges and indulge in a selection of premium beverages,
...a place for men to feel comfortable.

More than just a grooming experience, we nurture your mental wellbeing, providing an environment where stressors melt away, allowing you to immerse yourself in a moment of relaxation that is truly yours.

This isn't just maintenance; it's self-care... with a side of scotch.

Grooming Lounge Etiquette

Secure your grooming experience by booking online or calling us in advance.

For an optimal Face of Man experience, we kindly request you arrive fifteen minutes before your scheduled treatment. This allows you to unwind in our plush waiting area while our team will be preparing for your service. As a welcome gesture, enjoy a complimentary beverage from our curated selection.

Your health and comfort is important to us. For your safety and to personalise your treatment plan, please disclose any allergies, current medications, health conditions or special requirements in your consultation form.

To ensure a relaxing atmosphere for all our clients, please kindly set your devices to silent upon arrival.

Travelling by train?

Town Hall Station is the closest stop to Face of Man.

Gift Certificates

Give the gift of confidence and relaxation.

A Face of Man experience is a unique and thoughtful way to show someone special you care. They'll emerge feeling refreshed, pampered, and ready to take on the world.

Available in salon and online.

Deposits & Cancellation Policy

To ensure your exclusive grooming experience, a 50% deposit or valid Gift Certificate number is required when booking your reservation.

Please note: Deposits, products, courses, and gift vouchers are non-refundable but can be exchanged for a credit note.

We appreciate at least 24 hours' notice if you need to reschedule your appointment. This allows us to offer the time slot to another client.

As a courtesy, we'll send you a text reminder 24 hours before your appointment. Simply reply "Yes" to confirm or "No" to reschedule. For missed appointments (no-shows) or cancellations within 12 hours:

First offense: We understand mistakes happen. You'll keep your deposit/gift certificate value.

Second offense: A prepayment will be required for future bookings.

Third offense (or repeat no-shows): Prepayment for the next 6 months will be required to secure appointments. This applies to gift certificates and treatment courses as well (one treatment will be deducted).

Please note: Treatments exceeding \$500 require a 50% deposit upfront, regardless of booking history.

Starting Point

Embark on your journey to healthy, radiant skin with your Face of Man Skin Specialist. Understand your skin, feel empowered with knowledge and get ready to feel confident and look your best.

SKIN DIAGNOSTIC

30mins | \$79

Our advanced Visia Skin Analysis system provides an in-depth look at your unique complexion. Through multi-spectral imaging, we'll examine six key areas that impact your skin's health and appearance. This comprehensive analysis allows us to create a personalised treatment plan tailored to your specific needs.

The best part? The \$79 fee is waived if you proceed with our recommended products.

THE STARTING POINT

75mins | \$199

Not sure which skin treatment is proper for you or what skin type you have? Don't worry, The Starting Point was made for you.

Get acquainted with Face of Man. A comprehensive orientation to skincare, self-care and the experience you will learn and love. We'll assess your skin, uncover your skin goals and put you on the path to desired results.

What's included:

- Visia Skin Consultation
 - Skin Treatment:

LED Platinum, HydraFacial, Micro Platinum, AZYME or Ultra Plus Treatment

- Eyebrow and Eye Treatment
 - Treatment Plan
- Ongoing support & guidance from one of our Skin Therapists

Energise INTENSE. RAPID RESULTS

Fast and effective for the man on the go. Strong, results-driven treatments designed to detox and hydrate for smooth, healthy skin.

LED

30mins | \$99

The perfect treatment to revitalise a tired, dull complexion.

LED light therapy's healing benefits stimulate cell renewal and collagen production for a natural, healthy glow. Relax and recharge under the LED light to heal and treat your skin on a cellular level.

MICRODERMABRASION

50mins | \$199

This is a more advanced technique of exfoliation to the skin.

Whether your skin is tired or suffering from the weather, Diamond Head microdermabrasion helps to visibly refresh by removing the congested skin cells. Complete your treatment with an Oxygen Facial. This addition fights bacteria, breathes new life into your skin and nourishes with hydration.

OXYGEN INFUSION

30mins | \$150

Experience the healing properties of oxygen in skincare. Breathe life into tired skin with a fresh Oxygen Infusion tailored to suit your specific skin needs.

Combined with a smoothing enzyme exfoliation and relaxing shoulder massage, this facial will energise, brighten, hydrate and refine.

CUSTOMISED PEEL

30mins | from \$150

We provide a range of superficial to medium-depth peels customised to suit your individual skin requirements.

It's important to evaluate your skin before undergoing a peel to determine the most suitable option for your skin. A peel triggers the skin to exfoliate and eventually shed, revealing smoother, more rejuvenated skin underneath.

This treatment is beneficial for addressing issues such as fine lines, wrinkles, sun damage, acne scars, hyperpigmentation, and uneven skin texture.

Peels can range in intensity from light to deep, depending on the specific skin concerns and the desired results. We offer Lactic Acid Peel, Mandelic Acid Peel, Clycolic Acid Peel, and Salicylic Acid Peels.

We have peels for all skin types with no downtime as well and still great results.

ULTRA PLUS

50mins | \$188

Our Ultra Plus facial is a perfect way to introduce regular skincare into your routine. It is designed to cleanse, exfoliate, steam, perform extractions, and finish with a mask. This nourishing treatment ensures that your skin stays clean and healthy.

Skin Strengthening

POWERFUL & TARGETED

Replenish, condition and strengthen the skin. Targeted and effective solutions for pigmentation, redness, sun damage, enlarged pores, fine lines & wrinkles.

PLATINUM UPGRADE:

This will add onto your treatment either Mesotherapy, LED Light Therapy or a Peptide Mask to enhance the results of your treatment.

TAILORED PEEL TREATMENT

50mins | \$239

PLATINUM UPGRADE 60mins | \$288

The treatment begins with consulting which one of our seven peels to use, designed to target various skin concerns such as pigmentation, acne, dullness, and tired-looking skin. It aims to promote a more uniform and radiant complexion with minimal discomfort. The Salicylic peel is particularly effective for oily or combination skin as it gently eliminates bacteria, reduces inflammation, and unclogs pores, resulting in a clearer, healthier complexion.

AZYME (Our Expert's Pick)

45mins | \$220

PLATINUM UPGRADE 60mins | \$270

This peel treatment combines the proven anti-aging properties of retinol and bromelain to refresh, refine, and hydrate the skin. Experience rapid reduction in fine lines and wrinkles, a more even skin tone, and enhanced skin health.

HYDRAFACIAL (Most Popular)

40mins | \$255

PLATINUM UPGRADE 50mins | \$299

Enjoy instantly fresher, cleaner and more hydrated skin with no down time.

Using a patented device equipped with various HydroPeel tips and a vacuum-powered extraction method to gently remove impurities while simultaneously infusing skin with moisturising serums.

LED PLATINUM (Signature Treatment)

60mins | \$275

A perfect blend of relaxation and amazing skin results. This signature treatment includes steam and extraction, oxygen therapy, neck, shoulder, and head massage, hot towels and LED therapy.

It's designed to rejuvenate dull skin, improve appearance, and leave you feeling completely decompressed and relaxed.

BYONIK® HYALURONIC

60mins | \$380

The world's only system that repairs skin at a cellular level!

Experience the cutting-edge technology of the Byonik® Pulse Triggered Laser which repairs skin at a cellular level and locks in hydration at the same time.

Triggered by your heartbeat, this laser effectively decelerates the aging process, giving volume and deep hydration lasting 4-6 weeks.

It is a gentle, non-invasive and relaxing treatment, suitable for all skin types.

PICO LASER SKIN TREATMENT

60mins | \$350

The Discovery PICO laser machine is a globally renowned, award-winning device. After the treatment, you can leave with event-ready skin or maybe want to fix your skin's health if it feels red and flaky.

The session includes a cleanser, steam extractions, a choice of peels and a combination of 1 to 2 different lasers - laser toning and laser genesis.

It concludes with an LED or peptide mask, or both, especially if you have a special event coming up. Relax with a neck, shoulder, and arm massage.

ELEMIS

We have carefully chosen the luxury brand Elemis for our premium Facials.

Elemis is globally renowned and celebrated for its exceptional spa and facial treatments; and Face of Man is one of only two spas in NSW to offer their exclusive range.

Found in prestigious locations like the QE2 and Dubai's top-tier hotels, we assure you of the highest quality spa products and treatments available.

Elemis' hands-on facial and body treatments use touch as a powerful diagnostic tool to soften and prepare the skin to receive prebiotics and antioxidant-rich goodness, delivering healthy-looking skin and a relaxed body.

These products are applied using a blend of ancient and modern techniques from around the world, delivering unparalleled skin and body wellness.

Experience Elemis at Face of Man.

ELEMIS LUXURY SPA FACIAL

60mins | \$300

PLATINUM UPGRADE 60mins | \$350

Indulge all your senses with our Elemis Luxury Spa Facial.

Escape into a world of sensual touch and aromatic bliss. This premier facial treatment offers ultimate relaxation while delivering prebiotics and antioxidant-rich goodness to the skin, promoting a healthy and hydrated complexion.

Step into Calmness:

Your treatment begins with guided breath work using aromatherapy oils, leading to a sensory experience of pure bliss and relaxation. The spa facial features a combination of ancient and modern techniques, promising relaxation and improved lymphatic drainage. This innovative approach refreshes and hydrates the skin, giving you a rejuvenated and healthy glow.

The Perfect Gift:

Ideal for those seeking an escape from daily stress. This facial is suitable for all skin types but particularly beneficial for those needing deep hydration and relaxation. More than just a facial, it offers a holistic experience for those deserving of a touch of heaven in their lives.

Discover the Elemis Platinum experience, where you receive two additional masks and a massage. One of these is a jaw mask that will enhance an already perfect spa facial.

Correct

INTENSIFY. TREAT & REPAIR

Carefully developed and tailored treatments that merge the most potent ingredients together with advanced technology to deliver maximum impact.

SKIN NEEDLING

45mins | \$375

PLATINUM UPGRADE 60mins | \$425

Skin needling involves using micro-needles to penetrate the top layer of the skin, creating pinpoint injuries in the deeper layers. These micro-injuries stimulate the skin's natural healing process, which in turn promotes the production of collagen and elastin, leading to an improvement in acne scars and overall skin texture.

CLEAR + BRILLIANT

50mins | \$400

PLATINUM UPGRADE 60mins | \$450

Clear + Brilliant® delivers an even pattern of heat to your skin using a patented fractional laser. The laser process penetrates the top layers of your skin, a fraction at a time, via hundreds of thousands of microscopic columns that stimulate the production of new skin cells. This process helps minimise large pores, sun damage, and pigmentation and is suitable for all skin types.

Bonus Offer

Purchase any 3 Correct Treatments and receive a complimentary Skin Strengthening Treatment (valued up to \$380)

PICO CORRECTION TREATMENT

60mins | \$550

The Discovery PICO laser machine, a globally recognised and award-winning device, is highly effective for addressing various skin concerns.

This technology delivers ultra-short pulse bursts of energy to the skin in picoseconds (trillionths of a second), much faster than traditional nanosecond lasers

The treatment is designed to improve skin pigmentation, resurfacing, and rejuvenation. Downtime can vary from 24 to 48 hours depending on the treatment intensity, allowing clients to plan their treatments accordingly.

Your session begins with a deep cleanse, steam, extractions then follows with a customised peel to prepare your skin for optimal results.

After your customised laser treatment, complete your session with an LED or peptide mask and a relaxing neck, shoulder and arm massage to leave you feeling refreshed and revitalised.

Transform ADVANCED SKIN CORRECTION

The most effective, transformative advanced skin solutions in the game.

Transform your skin with this collection of powerhouse treatments. Firm, sculpt and lift for game-changing results.

ULTRA-FORMER HOLLYWOOD TREATMENT

60mins | \$550

Non-Invasive: No needles, no surgery, and no required recovery time: making it an ideal choice for those with busy schedules.

It's often dubbed the "Hollywood treatment" because of its popularity among celebrities who want quick and effective results without downtime.

Our advanced ultrasound technology penetrates deep into the skin's layers and underlying tissue to stimulate natural collagen production. This helps to improve skin firmness, tone, and elasticity, resulting in refreshed and rejuvenated skin. Unlike other procedures, ultrasound offers subtle, natural-looking results resulting in a more rested and energetic appearance.

We recommend a series of 3 treatments, spaced 4 weeks apart, for optimal results.

ULTRA-FORMER

90mins | from \$330 (POA)

Experience the world's leading ultrasound technology for a dramatic, yet natural lift and skin tightening. Ultra-Former targets multiple skin layers for precise and long-lasting results.

This treatment is ideal for tightening the jawline, reducing a double chin, and providing an eye lift.

Enjoy immediate results with continued improvement over six months.

Minimal downtime allows you to resume your daily routine instantly.

You may experience slight redness or swelling, but this typically subsides within a few hours.

RF MICRONEEDLING

60mins | \$600

PLATINUM UPGRADE 75mins | \$650

The Secret RF micro-needle fractional system is an advanced technology for skin lifting, tightening, and rejuvenation. It utilises precisely controlled bi-polar radio frequency along with minimally invasive insulated or non-insulated micro-needles.

This powerful technology combination induces dermal coagulation, leading to skin tightening, reduction of wrinkles and pore size, treatment of acne scars.

The synergy between RF and micro-needles in the Secret RF system has resulted in an advanced form of skin rejuvenation therapy. It is suitable for all skin types, making it a top choice for individuals looking for the latest in skincare technology.

Secret RF is particularly useful for treating both deep and shallow wrinkles and acne scars. It is also effective for addressing dermal density and overall skin rejuvenation.

COSMELAN

90mins | \$1550

Cosmelan is a professional depigmentation treatment widely recognised for its ability to reduce and eliminate skin discolourations caused by melanin, such as melasma, sun spots, and other forms of hyperpigmentation.

Cosmelan is ideal for men troubled by uneven skin tone, dark spots, or melasma who are seeking effective results.

It's a two-phase treatment involving professional application and home care.

This treatment does involve quite a bit of downtime, but the results are clear, even-toned skin.

FACE OF MEDICAL

ADVANCED SKIN

Welcome to the medical extension to Face of Man.
Our highly skilled nurse and dermal therapist specialise in achieving natural-looking, yet significant improvements to your facial shape and structure.

Looking for a refreshed, youthful appearance without sacrificing your masculinity? At Face of Medical, we specialise in a "less is more" approach to muscle relaxants and bio remodelling.

We understand the subtle differences in men's facial anatomy and prioritise achieving natural-looking results.

CONSULTATION

30mins | \$75 (redeemable towards treatment)

During this in-depth consultation with our expert Nurse and Dermal Therapist, we'll delve into your specific goals. Whether it's minimising wrinkles with targeted muscle relaxants or exploring advanced options for rejuvenation, we'll create a personalised plan to address your unique concerns. This is your opportunity to ask questions, understand treatment options, and embark on a journey towards a more refreshed and invigorated you.

MUSCLE RELAXANT

\$25 Doctor's Script | \$15 per unit

Soften fine lines and minimise wrinkles between the brows, on the forehead, and around the eyes for a refreshed, youthful appearance. Smoother skin is visible within days and results last up to four months.

Treatment areas: frown lines, forehead lines, and crow's feet.

IV VITAMIN THERAPY INFUSIONS

BONUS OFFER: BUY 5 GET 1 FREE!

Glutathione Skin Brightening | \$279 per session

Vitamin C Hydration Energy | \$279 per session

Glutathione + Vit C Infusion Power Combo Pack | \$460 per session

B12 Intramuscular Infusion | \$75 per session

SKIN BOOSTER

Under Eye | from \$400 per session
Full Face | POA

An innovative injectable treatment designed to deeply hydrate and revitalise your skin. Formulated with hyaluronic acid, this powerful formula penetrates deep layers, delivering a surge of moisture beneath the skin's surface which gives the skin a more fuller, hydrated and younger look.

Recommended: 2 treatments, one month apart.

BIO REMODELLING

30mins | from \$800

This innovative treatment tackles laxity and crepey skin, promoting a smoother, tighter appearance.

Unlike dermal fillers that directly add volume, Bio Remodelling leverages the power of hyaluronic acid to trigger your body's own production of collagen and elastin. This natural approach rebuilds your skin's foundation, resulting in a long-lasting improvement in firmness and youthful vitality.

Bio Remodelling works to hydrate the collagen, resulting in smoother, firmer, tighter and younger-looking skin whilst slowing skin ageing.

Bio Remodelling can be safely used in conjunction with muscle relaxant treatments.

Recommended: 2 treatments, one month apart.

EXPERIENCE THE FUTURE OF HAIR RESTORATION

Consultation: 30mins | \$150

Our program offers a cutting-edge approach that combines non-invasive and medium invasive procedures, utilising the latest advancements in hair regrowth and restoration for the most effective and efficient solutions.

Our protocol may include platelet-rich plasma (PRP) therapy, micro-needling with topical mesotherapy solutions, or both, tailored to provide the results you desire and address your specific type of hair loss.

PRP therapy harnesses the power of your blood platelets, stimulating hair follicles for regrowth, while micro-needling enhances the absorption of mesotherapy solutions, complemented by LED for healing.

Throughout your hair restoration journey, Nurse Rana will be by your side, explaining every step and providing guidance and personalised care to ensure your comfort and confidence.
